

Michael Rice

State Representative • Endorsed Democrat

District 35 • South Kingstown

Dear Friends:

I am honored to represent South Kingstown and the URI community at the State House. I have focused my efforts on farm and open space policies, and protecting protecting our environment and our bay, which is precious to all of us who are proud to live in South County. You can count on me to continue to strongly advocate on behalf of our public schools and our state university. I will never stop working to improve Rhode Island's economy and promote tax policies to attract new businesses and help our existing companies expand and prosper. In order to continue these efforts, I am humbly asking for your support in the Democratic Primary on September 14th.
